

ORDINANCE NUMBER 80B
CITY OF TOWER, MINNESOTA

An ordinance amending Shore Land Ordinance Number 80 for design criteria for structures.

The City of Tower ordains:

5.22 B6 As an alternative for Lake Vermilion, water oriented accessory structures used solely for watercraft storage, and including storage of related boating and water oriented sporting equipment, may occupy an area up to 520 square feet provided the maximum width of the structure is 20 feet as measured parallel to the configuration of the shoreline. For all rivers, the maximum area shall be up to 400 square feet.

Introduced and given first reading by Councilor Abrahamson on January 10, 2000.

Given second reading on February 14, 2000.

Motion by Abrahamson supported by Leppala to adopt Ordinance #80B. All yes. The motion Carried.

Published in the Timberjay on February 26, 2000.

Attest:

Herbert R. Lamppa, Mayor

Timothy L Kotzian City Clerk-Treasurer
