

Tower Economic Development Authority

Special Meeting

Thursday, May 11, 2023 @ 5:00 p.m.

Herbert R. Lamppa Civic Center

TEDA Mission Statement: The Tower Economic Development Authority serves to promote business and to recruit new business. The Tower Economic Development Authority shall consider the interest and need of City residents, private businesses, and public organizations regarding community and economic development.

TEDA Roles & Responsibilities: Promote local businesses and local business expansion, recruit new business, collaborate with prospective businesses to gather market studies and research, encourage the development of housing within the City that is safe, diverse, and which gives our citizens affordable options to own a home, provide information regarding Loan/Grant programs, facilitate redevelopment districts, inventory lands and buildings available for development. This commission may have to coordinate with the Planning/Zoning Commission.
